

MSU CAMPUS ARCHAEOLOGY PROGRAM

Identify objects used to excavate archaeological sites

#ColorCAP

MSU CAMPUS ARCHAEOLOGY

is a program that works to manage and protect the archaeological resources on Michigan State University's beautiful and historic campus. Michigan State University (MSU) has a history that exists not only in our rich traditions and educational values, but also underneath our feet, below the ground upon which we walk every day.

IDENTIFY OBJECTS USED TO EXCAVATE ARCHAEOLOGICAL SITES
